  - ② If it disappears or dries out, add more **REVIVE** to maintain a thick layer, especially on the nose and chin. Occasionally massage every 30 minutes or so and adding more if needed. Leave on 1-2 hours (*30 minutes is still better than nothing*).
  - ③ Rinse well using a washcloth and warm water.
  - ④ Proceed as usual with **DEVOTE**, your Hydrating Serum **BALANCE, FORTIFY, or FEAST**, and then apply **LAMINA**.
- ! Avoid eye area.
